THE BRITISH SCHOOL OF JEREZ

# BOARDING HOUSE

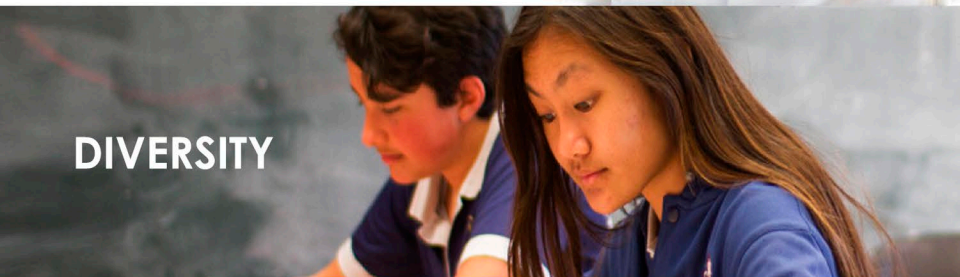

PROSPECTUS 2020-2021

[www.sagecollege.eu](http://www.sagecollege.eu)

# OUR MISSION AND VALUES

Our mission is to provide an outstanding international education set on a "*family*" environment. Ours is a holistic culture of excellence in which all contribute

We are committed to inspiring and empowering students to fulfill their individual potential & to help them grow into respectful global citizens prepared to improve the future of our changing world.

# ACADEMIC CURRICULUM

We are the only International British School in the area that follows the full British Curriculum from the age of 3 to 18. The four ages of the Curriculum give students a clear path for educational success, leading seamlessly from primary to secondary and pre-university years. Each curriculum, high-quality support from teachers and integrated assessment, including Cambridge and Edexcel IGCSE and AS & A Level qualifications which are recognised by universities worldwide.

## DOUBLE CERTIFICATION

We are the only educational school in the province which can extend both Spanish and British certifications. Students completing a school year at Sage College may receive:

- a certification by the Spanish Ministry of Education
- a certification by the British education system or
- a certification by both education systems.

### Ask us about it!!!

We'll be delighted to answer your questions and rest assured, at Sage College your studies may be Spanish and British certified. Our guidance counselor will assist you in making the right choices.

## We provide a broad and balanced curriculum which:

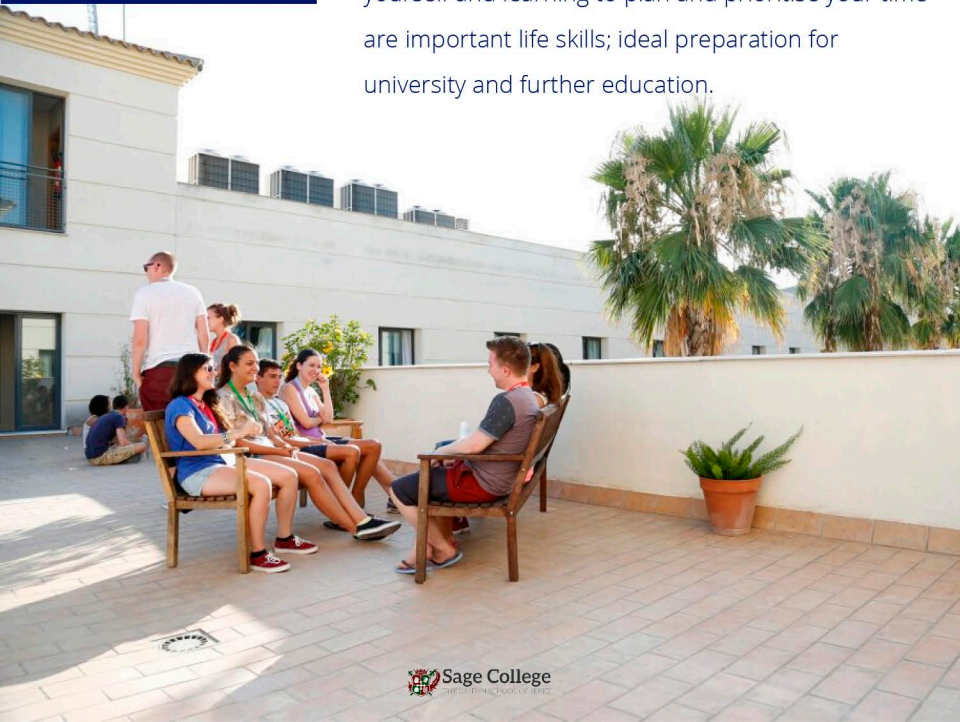

- promotes the academic, holistic, cultural, physical and moral development of students;
- prepares children for adult life and encourages them to become leading citizens modeling our values: Academic excellence, diversity and respect for self, others and the environment.
- allows children to become fluent and proficient users of the English and Spanish languages.
- provides a high quality education which: promotes high standards of achievement and allows all children to develop to the best of their ability, both personally and academically;
- generates high levels of student engagement and enthusiasm and allows students to become confident, secure and independent learners.

# Be part of a vibrant and energetic community!

## WHY BOARD AT SAGE COLLEGE?

- Enjoy the huge opportunities on offer – the facilities, activities and social life are far greater than those available at home!
- Experience academic and cultural activities as part of everyday life in Spain.
- Build relationships – the multi-cultural environment is often the making of lifelong friendships.
- Develop independence – taking responsibility for yourself and learning to plan and prioritise your time are important life skills; ideal preparation for university and further education.

# FACILITIES

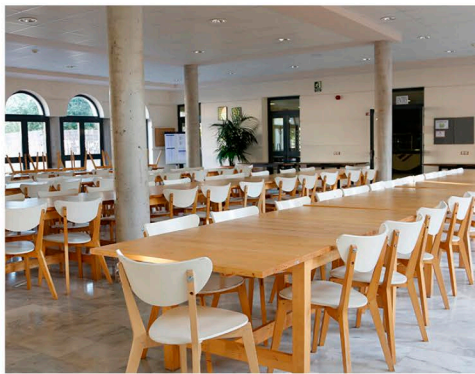

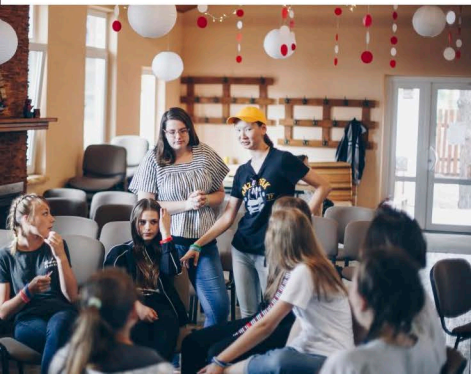

Students share the ensuite accommodation with one other student in twin rooms. The rooms are all equipped with a modern bathroom, individually climate-controlled heating and air conditioning systems, Wifi, fitted wardrobes, desks, chest of drawers and all the conveniences of a typical bedroom. Views from each bedroom are stunning. Bedding and towels are supplied and washed by the Boarding House.

## All rooms contain the following:

- Air conditioning
- Central heating
- Private bathroom with shower
- Study area
- Two closets
- A double desk with chairs
- Two single beds

Each floor is accessible by elevator, and some rooms are adapted for people with physical disabilities. All rooms include: wireless internet, library, swimming pool and gym access.

## START AND END OF TERM TRANSPORTATION

The Boarding House offers a free transport provision to the Jerez airport at the start and end of each term. To qualify for this free transport provision you must reserve your transport arrivals and departures within a three day period. For arrivals, the three day period starts the day before the start of term and runs for two days into term time.

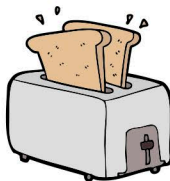

For departures, the 3 day period starts two days before the end of each term and runs until the day after the end of term. Free transport cannot be offered outside of this three day period, without permission from the Head of Boarding.

## ROOM PACKING UP

It should be the expectation for each Boarder to pack up their room at the end of each term. This may not always be necessary and the Head of Boarding will inform students when it is not required. Each student is allowed to keep a maximum of two boxes in storage during the holidays. If a student has a fridge, this is counted as one box.

Before leaving the Boarding House to return home, each student's room will need to be checked at least two hours before departure. In the case where a student's room is not left to a satisfactory standard or unreported damage has occurred, an additional housekeeping charge will be implemented.

## BREAKFAST AND MEALS

Boarders are expected to attend breakfast, lunch, the after-school snack time and dinner at the boarding house each day and they will need to sign in at every mealtime. At all meals boarders should be dressed appropriately. Bare feet and/or pyjamas are unacceptable in the dining room at any time.

On school days, and during all meals, boarders must wear the full school uniform. If they are not wearing the correct uniform, they will be asked to return to their room to change or be provided with a secondhand item. Students are not allowed to attend school without the correct uniform.

## POCKET MONEY

Each Boarder should have their own bank account, where parents can pay directly into their individual account. The recommended allowance of €30-40 per week is usually sufficient to cover all normal expenditures.

Pocket money can, if necessary, be given to the Head of Boarding who will keep it in and distribute it, as needed, during the course of the term. If a student needs a large sum of money, it should be requested a day or two in advance and the reason explained for the extra expenditures.

# GENERAL RULES AND EXPECTATIONS

## GENERAL RULES

1. The Boarding House buildings and property must be treated with respect and any damages reported immediately.

# TAKING CARE OF OUR STUDENTS

## Pastoral Care

The School's excellent pastoral care is backbone to our boarding. Students tutors, housemasters and house monitors form strong relationships with boarders and their families. Housemasters and tutors organize and run activities taking in consideration boarders interests and needs.

## Making of the most of time to study

Study time is scheduled to help boarders keep on top of their academic studies & performance.

The seamless integration between academic and boarding staff ensures that each boarder's work is carefully monitored.

There is a library in the boarding house that most boarders find very conducive and beneficial to their study time

## Our guardianship programme offers

### Head Office Care Manager

A trustworthy service from an experienced team of professionals.

### Safe and reliable transportation

A friendly face waiting at the airport to meet your child.

### Half term and exeat accommodation (if needed)

Residential Relax & Revise programme.

### Inglabest Guardian system

Our Local Coordinator who lives close to the school.

### 24/7 emergency assistance

We will be there to help in an emergency on your behalf.

## Why do I need a guardian?

A guardian is a responsible adult living near Sage College who can be there in an emergency situation on behalf of parents.

This not only satisfies the Boarding School requirements but, also keeps international students safe while they are not in school and are unaccompanied.

This guardian takes on the roll of the parent and becomes a point of reference for your student outside of the regular school.

## A trustworthy service from an experienced team of professionals

Inglabest's guardianship programme ensures that all your child's needs are met flawlessly. Our guardianship offers parents peace of mind and security in the knowledge that there is always someone there to guide, lend a helping hand and offer support. Our guardianship programme offers a total care package from the time of pick up at the airport until punctual drop off time to safely return home.

While at Sage College, we will care for your child 24 hours a day, 7 days a week. Our guarantee to you is that your child will feel snugged and we will make him feel as part of our boarding "family".

# SPORTS ACADEMIES

**Inglabest Sports Academy** aim is to inspire and motivate our students to be successful and to form free, happy, well-adjusted individuals with strong values.

In our sports academy, we emphasize values such as effort, humility, tolerance, patience, respect, integrity, discipline, and commitment. All these values are fundamental aspects in physical and mental preparation: "*Mens sana in corpore sano*"

Sage College inspires students to find their unique talents to be the best they can be. As part of this development, and alongside a bespoke curriculum of education, we encourage our boarders to embrace an optional after school sports program which we have developed with elite local sport clubs.

At Sage College, we have created a unique opportunity for International students to develop their sports abilities. We have selected the three main sports in which Spain marks the difference internationally: **Football, Tennis, and Golf**, and have established links with the best local sport clubs in the area for Sage Boarders to participate in them. There are two leagues established: Junior and Elite Leagues, so they can grow in their abilities and move on to competing in championships with the local teams and clubs. Practicing sports with local Spanish teams will allow our students to meet other local athletes immersing themselves in the Spanish language and local culture.

# SPORTS ACADEMIES

## TENNIS ACADEMY

We are proud to offer a leading tennis programme. We offer world-class tennis alongside a sound British Curriculum Programme in sunny Spain. The objective of the program is to maximize the potential of each player in a high performance club where they can combine tennis activity with excellence in studies. Players will have the option of continuing their academic training by choosing scholarships at the best universities worldwide.

This programme also presents the exclusive opportunity of attending a One week tennis programme at the RAFA NADAL ACADEMY.

## GOLF ACADEMY

At Sage College we are fortunate to have, a world-class golf course, Sherry Golf course, as our backyard.

Recently, Sherry Golf has staged some of the world's most prestigious professional and amateur events.

We offer a programme which enables students of all ages and abilities to develop their golfing interests and potential, in line with their personal ambitions and goals.

Our tailored approach offers students of all ages, with differing experience, the perfect platform to learn, train and develop not just as golfers but as individuals and athletes.

## FOOTBALL ACADEMY

InglaBest is in partnership with local elite Football Clubs. Our boarding students can be immersed in the world of Spanish football league teams. Each pupil would be part of a Football development programme led by their elite coaching staff.

Whether you have already played in a Professional Academy, with aspirations to play professionally, or simply wish to develop your footballing ability, the programme is designed to develop players, so that they can fulfil their potential, with opportunities to progress at various levels within the sport.

*There doesn't need to be a compromise involved between sports training and achieving an excellent education. The academic timetable at Sage College is specially designed to couple academics and sports achievements. There is a perfect blend of in-classroom and sport practise time. This sports programme provides the perfect opportunity for excelling in sports, getting to practice the third language (Spanish) and being involved in the rich and fun local culture.*

# JEREZ

## DE LA FRONTERA

**Jerez de la Frontera** is one of Andalusia's most typical towns and it is considered to be the home of flamenco music and dancing. This Andalusian town has been known far and wide for many years thanks to its equestrian tradition, the bulls, flamenco and motor-racing. The ancient downtown, which dates back to the 1200BC, boasts an endless list of tourist attractions and makes a delightful stroll through beautiful streets lined with marvellous buildings and many appealing restaurants. In the city, you may also find singular institutions like the Real Escuela de Arte Equestre, where the marvellous Carthusian horses, a unique Spanish-Arabic breed, can be admired, or the cellars where the famous Jerez wines are produced.

**Jerez de la Frontera** lies on a central strip running from the mountains down through the countryside, practically reaching the coast. Part of the mountains belong to Los Alcornocales Natural Park where visitors can enjoy a huge variety of adventure activities such as hiking, rock climbing, paragliding, cave exploring and many others. Jerez's delightful weather, with more than 300 days of sunshine, and the gentleness of the climate throughout the year invite visitors to just want to stay here.

# SAGE COLLEGE COMMUNITY INVOLVEMENT PROGRAM

**Sage College**

The British School of Jerez

## **SAGE COLLEGE COMMUNITY INVOLVEMENT PROGRAM (SCCIP)**

is a co-curricular educational programme for Years 11, 12 and 13 students. This programme is a stepping stone into the rest of our students' lives. It presents students with the opportunity to involve themselves with Social and Environmental Actions locally. Planting trees, environmental clean-ups, & developing games and activities for needy children are some of the options. This social involvement truly contributes to secondary students' personal development and public benefit. At Sage College, we encourage our students to involve themselves in these activities. It helps them enrich their lives perspectives and provides them with real life skills, making them better candidates when applying for entrance to university. This programme marks a big difference between SAGE COLLEGE and many other educational institutions. Years 12 and 13 students may also carry out an independent research project in a topic of their choosing within the choices, with the opportunity to continue it into a SAGE COLLEGE SUMMER RESEARCH PROJECT (SCSRP).

## **SAGE COLLEGE SUMMER RESEARCH PROJECT (SCSRP)**

Sage College Summer Research Project (SCSRP) is a life-defining experience. While our students participate in this project, they get the opportunity to immerse themselves in a community abroad **GAINING GLOBAL PERSPECTIVES**, working side by side with locals and being involved in some of the pressing challenges of our generation. Sage College 12 Year students, among other choices, have the opportunity

to participate in the SCSR taking care of animals in Africa, rehabilitating castles in France, working with needy youngsters in Spain, or participating in environmental projects in Latin America. Participants will be changed by this experience!
