BOARDING SCHOOL

PROSPECTUS 2021-22

Welcome from our Boarding Director

Dear boarding students:

Here at Sage College we believe that becoming a part of our boarding community offers a unique opportunity for students all across the world. Not only do we work to instill our core values of academic excellence, respect and international awareness, but we provide our students with the opportunity to develop personal skills and friendships that will last a lifetime.

Each child is unique and it is important to us that all are given the opportunity to discover their natural talents and be supported to develop them into life-long passions. Our students are provided with a standard of education which will enable them to meet the challenges of the 21st century whilst truly understanding the importance of community.

Each stage combines a world-class curriculum, high-quality support from teachers and integrated assessment, including international IGCSE and International AS & A Level qualifications which are recognised by universities worldwide.

The excellent relationships our staff have with our students enable each child to be fully supported in their learning, and directly contribute to the high level of personal pastoral care that we provide.

We love to keep our students active in their free-time and ensure they become well-rounded and engaged learners. Students are given many extra-curricular opportunities including participation in school productions, sports, music and competitions. These activities not only enhance their personal development, but help to foster the feeling of belonging and give our pupils the opportunity to make friends of all ages.

We are fortunate to be located in a region with a rich culture and history, in which our students are thoroughly immersed throughout their time at Sage College. With a variety of local excursions, links to the wider community and topics in the curriculum itself, our students learn tolerance, understanding and appreciation for the things that make us all different, whilst still being part of the same Sage College family.

We hope you and your family take the time to visit us and experience in person just exactly what it is that makes Sage College such a special, unique place to live and study.

I look forward to welcoming you soon,

Ms Pike

Sage College Boarding Director

Our mission and values

Our mission is to provide an **outstanding international education** founded on a **family-centered environment**. Ours is a **holistic culture of excellence** in which all contribute.

Who we are?

Sage College was founded in 2006 in Jerez de la Frontera, at the south of Cádiz (Andalucía).

The college benefits from luxurious purpose built facilities in a light, airy and spacious building that has been built following **traditional Andalusian architecture.**

Sage College provides a **British Education to children from 2 years to 18 years.**

We believe that each child is a **unique individual who needs a secure, caring, and stimulating atmosphere in which to grow** and mature emotionally, intellectually, physically, and socially, and develop their self-esteem and core values.

At Sage College we aim to provide every student with the support they need to: be healthy, stay safe, enjoy, discover and achieve through learning, and make a positive contribution to society.

At Sage, our students are provided with a standard of education which will enable them to meet the challenges of the 21st century.

Where we are?

Jerez de la Frontera Southern Coast of Spain

Jerez de la Frontera **is one of Andalusia's most typical towns** and it is considered to be the home of flamenco. This Andalusian town has been known far and wide for many years thanks to its **equestrian tradition, sherry wine, flamenco and motor-racing**. The ancient downtown, which dates back to the 1200 BC, boasts an endless list of tourist attractions and makes a delightful stroll through beautiful streets lined with marvelous architecture and gastronomy.

Jerez is 10 km away from some of the best beaches in Spain, perfect to practice different sports such as surf, diving or to simply relax.

Jerez de la Frontera lies on a central strip running from the mountains down through the countryside, practically reaching the coast.

Part of the mountains belong to Los Alcornocales Natural Park where visitors can enjoy a huge variety of adventure activities such as hiking, rock climbing, paragliding, cave exploring and many others. **Jerez's delightful weather, with more than 300 days of sunshine**, and the gentleness of the climate throughout the year invite visitors to just want to stay here.

Why boarding here?

- Enjoy the **huge opportunities** on offer – the facilities, activities and social life.
- Experience **academic and activities** as part of everyday life in Spain.
- **Build relationships** – the multi-cultural environment is often the making of lifelong friendships.
- **Develop independence** – taking responsibility for yourself and learning to plan and prioritise your time are important life skills.
- **Ideal preparation for university** and further education.

Our curriculum

We are the only International British School in the area that follows the **full British Curriculum from the age of 2 to 18.**

The four ages of the Curriculum give students a clear path for educational success, leading seamlessly from primary to secondary and pre-university years.

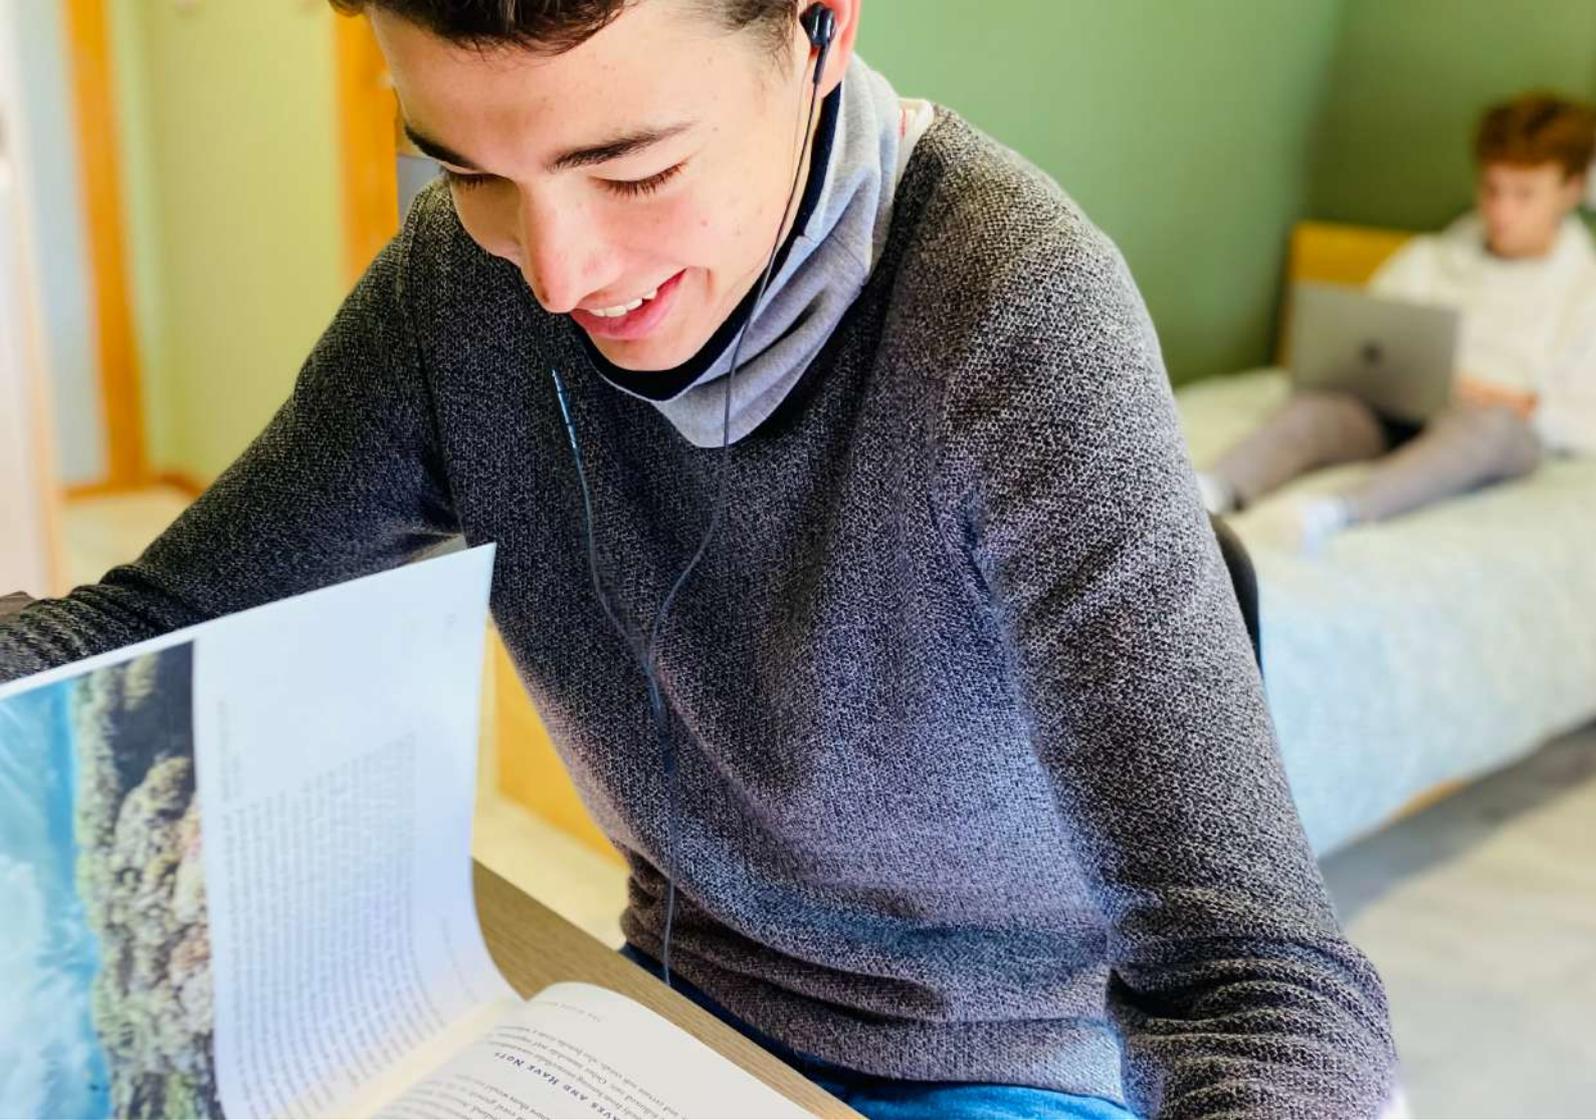

Each curriculum, high-quality support from teachers and integrated assessment, including **Cambridge and Edexcel IGCSE and AS & A Level qualifications** which are recognised by universities worldwide.

UNIVERSITY ACCESS

The A-Level program gives access to all Spanish, UK and International Universities worldwide.

The school prepares students well in advance with **career guidance**, undertaken by our staff. Our Career advisor and High School Coordinator, works in collaboration with A-level teachers and the Head of School to guide the students in the university access process.

Teachers take great care to advise students about university selection and application, so **students feel prepared and knowledgeable about their choices and the entrance process.**

Daily School Routine

7:15 - Wake Up

8:15 - Breakfast

9:00 - School Day starts

16:30 - End of School Day

17:30 - Afternoon Snack

17:45 - Boarders Activities/Study/Prep

20:00 - Dinner
