How lucky am I to have something that makes saying goodbye so hard.

A.A. MILNE

MESSAGE FROM OUR SCHOOL HEAD:

Dear Sage College Community,

We made it possible!! We can all congratulate ourselves for this supreme example of collaboration, resilience and support that this year has been for all the Sage College Community. I would like to thank everyone but especially direct my words to our students, the unexpected heroes of this year. For being an example of improvement, for your perseverance and for your smiles always throughout this complex year. You have been put in bubbles, you have had to distance yourselves from your friends, from your teachers, we have not been able to shake hands when we have recognised excellence in your work, you have had to wash your hands fifty times and you have eaten while looking at a plastic screen instead of your friends. You have had to quickly update yourselves with the new technological tools and you have excelled, much better than us, adults. You are better, stronger and more prepared than a year and a half ago, when all this began. Throughout this year we have learned together, adults and children, so many new things that made us better and we realized that united, as part of a community, we will be successful in whatever goals we set in front of us.

As your Headmaster, I want you to know that at Sage College we will always be willing to listen to you, help you in this journey and learn from you. Finally, we would like you to know you that we admire each one of you and that it is a true honour to be part of your present, to think that we will be part of your future and that we will look back at our past, saying "together we made it possible"

Dear Sage students, parents and staff, have a great summer and see you back in September!

Mr Nickham

-EARLY YEARS NEWS-

Busy Bees' Reception Graduation Ceremony

This week we celebrated the Busy Bees completing their journey through Early Years...and moving up to Primary School at the Reception Graduation Ceremony. It was definitely a spectacular start to our school week and we could not have been prouder of our Busy Bees. They all confidently spoke, sang and danced on stage in front of their parents and teachers; truly showing everyone just how ready and prepared they are for their next phase of education. We are all buzzing for them!

-EARLY YEARS NEWS-

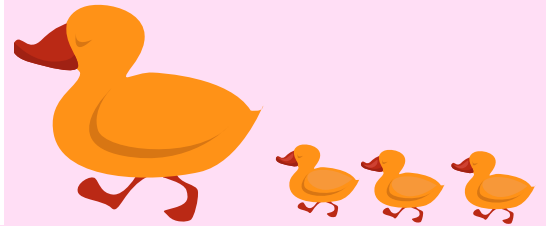

A look back over the year...

What a year our Little Sagers have had!

All our staff feel very proud of all the children and the incredible progress every single one has made. This week as a unit we celebrate an amazing year in Early Years and look back at some highlights from each class.

PRE-NURSERY

This year has been full of experiences and sensory fun for our Little Ducklings. They have settled into their new school, grown in confidence and independence, and are equipped to try out new activities and explore the world around them! We could not be prouder of you all and we will miss you Little Ducklings as you swim up to Nursery ♥

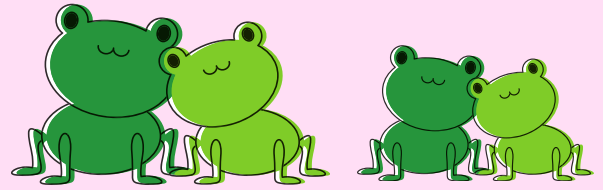

-EARLY YEARS NEWS-

NURSERY

The Friendly Frogs have had a year full of adventures and new experiences... and we are nearly reaching the finishing line!

These ten months have been an intense learning journey where they have acquired a variety of skills, developed friendship and good relationships with all the adults who have surrounded them, become more autonomous and independent, started to make their own choices and, the most important thing for us, learnt some relevant lessons and values for life.

Although it has been a very difficult year for them, they have treasured precious moments and made memories that will last in their hearts forever.

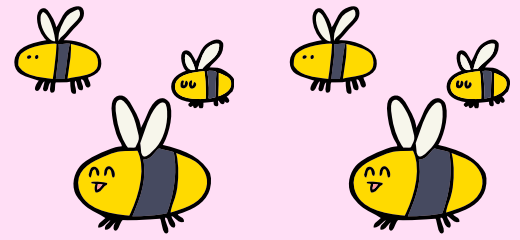

-EARLY YEARS NEWS-

RECEPTION

This week The Busy Bees, brought their amazing journey in early years to a close with their Graduation Ceremony.

They talked about some of their favourite experiences... bicycle day, learning to write letters, learning to read, playing on the outdoor castle, visiting the Bee Farm, telling their parents all about their learning journal on Book Look Day, Sports Day, the Halloween Party and many more exciting adventures.

Now the Busy Bees are ready to begin their next journey into Primary. Ms Zaida and Ms Yvonne are going to miss you. We wish you all the success and happiness on this new and exciting journey.

Message from Ms Sawyer

Dear Sage Families,

I would like to take the opportunity to thank you all for your continued and amazing support throughout the years. It has been an absolute pleasure being part of a wonderful community, teaching such incredible children, working alongside amazing educators and leading with great leaders. I am proud to have been part of the Sage Journey for 4 years as a teacher, a leader and a parent. It was with difficulty the decision was made to return to Australia due to family reasons, however, I greatly look forward to my return and being part of the amazing future and project that awaits us. Thank you again to everyone, myself and my family will miss you whilst we are away, yet we are excited for the future. Have a lovely summer, live, laugh and enjoy the sunshine!

Hoosoo (Australian for goodbye) for now...

Y6 GRADUATION!!

This week, year 6 experienced one of the most magical days in their entire primary career at Sage College - their very own graduation. It was an evening full of laughter, tears and reminiscing as both students and teachers reflected on their learning journey since they joined us. For many of them, as we saw on the montage video, that was in pre-nursery, 9 years ago!!!

Needless to say, this very special year group with their bright smiles, energy and passion for learning, will be sorely missed. We wish them all the best in the next stage of their school careers and cannot wait to watch these amazing young people flourish and achieve all they are capable of.

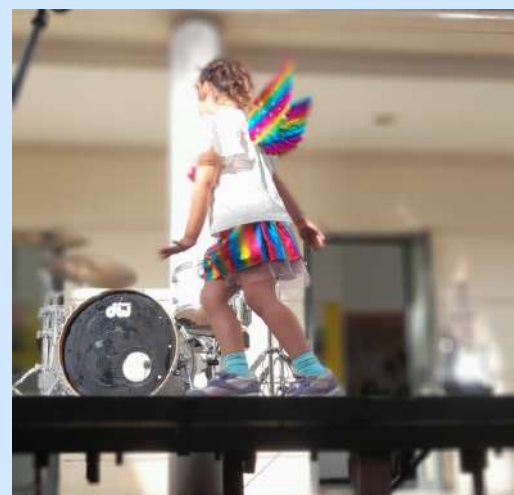

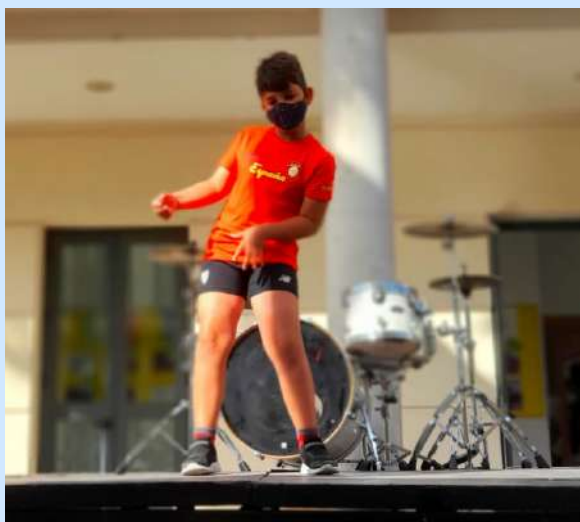

-PRIMARY NEWS-

SAGE HAS GOT TALENT

Students had a great time on Tuesday celebrating all of the wonderful talent that we have here at school. With acts from year 1 all the way up to year 10, we watched clowns, gymnasts, bands, musicians and more. We were, of course, joined by our four judges, including the infamous Evil Evelyn who was her usual mean and cruel persona.

Perhaps the highlight of the show was a special appearance from our very own teachers; Mr Wickham, Mr Gomez and guest star (ex music teacher) Mr Piñero who played an amazing set which the crowd went wild for!- a spectacular end to a wonderful morning.

PUERTO SHERRY ADVENTURE TRIP

KS1

Year 1 and 2 had a fantastic time at the beach on Wednesday! In the morning they were split into small groups and completed an orientation challenge in the pine woods, ascended a great wall, did a bit of target practice in archery and got rather wet in the tunnel of water challenge. In the afternoon they had a great time paddling and swimming in the sea and managed to find some fantastic treasures from the deep.

KS2

What a lovely day we spent at Puerto Sherry! Children in KS2 had a fabulous time doing water activities such as Canoeing, Giant Paddle surf and a trip in a Zodiac.

They have a great time developing their swimming skills and the most important thing, they have a good time with their friends and teachers. Afterwards, we went to the beach where they had lunch and continued treasuring moments with their friends that they will never forget.

-MIDDLE SCHOOL NEWS-

Last Friday KS3 students had an amazing time at ISLA MÁGICA, the popular 16th-century-themed amusement park in Seville. Students and teachers alike enjoyed thrilling rides and attractions --including the Jaguar, the first inverted roller coaster in Spain, or El Desafío, a 68 metre high freefall that recreates an ancient Arab minaret. High temperatures were not a problem, since they had the opportunity to cool off on several water rides, like the log flume (the Anaconda), a splash ride with a drop of 15 m (the Iguazú), and a water rapids attraction (Los Rápidos del Orinoco). They could also watch a film in the 4-D cinema and enjoy the different shows and parades taking place throughout the day. A trip to remember!

-MIDDLE SCHOOL NEWS-

Sage has Got Talent

We had been waiting for more than a year! On Tuesday we finally held our traditional annual talent show, which featured everything from singing and dancing to playing musical instruments to gymnastics exhibitions. Our Middle School students did an amazing job : Layla, Cristian, Paula, Abril, Estrella, Bea, Iria, María José and Ariadna, all from Year 7, shone in a memorable event. The judges (especially Evil Evelyn) didn't make things easy for them... Congratulations to them all!

-HIGH SCHOOL NEWS- YEAR 13 GRADUATION

About saying goodbye...we also said this to our Year 13 students this Friday. The Year 13 graduation has been really emotional. We would like to thank families and students for all their collaboration and work with us. Our Year 13 students start a new and exciting step, and we are sure they will be successful because they are more than ready. Congratulations!

-HIGH SCHOOL NEWS-

TRANSITION DAYS

This week, our High School students are enjoying their transition days to the following step in their educational journey. In this way, they can start to know more about the subjects they will have next year and the dynamics of the next stage. We would like to thank all the students for their collaboration and all the teachers for their great job.

SAYING GOODBYE

This week, we say goodbye to some of our Key Stage 5 students who came here to have a great experience during this difficult academic year. Chiara and Anni in Year 12, and Nina and Bianca in Year 13. They have shown a great commitment to constantly improve and have been a great addition to our groups. Thank you, good luck in your next stage and Sage College will always be your home.

Our urban Camp has started!!

Sage College Camps has kicked off their Western Camp. Our campers are enjoying workshops, crafts, yoga and mindfulness, pool games and endless fun activities with Ms Bejarano and Ms Barker. If you haven't signed up yet, don't miss your summer opportunity!

MEET OUR STAFF

THIS WEEK...

Ms Martin

ABOUT ME...

Hello Sage family! My name is Laura Martín and I have been part of this beautiful community for a year. It has been an exciting adventure participating in so many areas this course; Among others, I am in charge of the marketing and communication of the school, and I have also been a teacher of Spanish Culture in Primary. I was born in Madrid, and there I studied Social Education and Pedagogy. After a few years working in the social field, I realized that my true vocation was teaching, so I ended up studying Primary Teaching. After ten years as a teacher at the International School of Madrid, I started a new path with my family, which after a course in Switzerland has led us here, where I feel at home.

HOBBIES AND PASSIONS...

I love spending time with my family and celebrating with those I love, and if it's near the beach, even better! I'm also really enjoying all the plans that this beautiful province offers, and I have a very long list of restaurants, beaches, and all kinds of recommendations that my new Cadiz friends are suggesting me. I also love decorating and redesigning spaces, and I'm having the opportunity to put it into practice at Sage College.

DON'T FORGET TO FOLLOW US!
