## School Trips

This week many of our Sagers have enjoyed camps and school trips. It has been a fantastic opportunity to develop their friendships, enjoy the great outdoors and round off a fantastic school year.

## CIRCUS

It may be coming to the end of the school year - but we are still super-busy in Early Years.

On Friday the Big Top came to town as we enjoyed a **Circus Party and Book Look for the Pre Nursery and Nursery children and parents.** There were fun games, a bouncy castle, yummy treats plus lots of clowning around enjoyed by all!

On Monday we look forward to another very special event; our **Reception Graduation Ceremony.** *The Busy Bees* have been working so hard with Ms Yvonne and Ms Zaida to make this event truly special. The Ceremony begins at 9:15am on Monday and will be quite spectacular!

## Andévalo Adventure Year 6 Trip

Last week the majority of year 5 children enjoyed 3 days at Buenavista, near Arcos De La Frontera. During the **3 days they experience living on an animal farm.** Cooking chocolate bread and enjoy the heights on a tree zip wire. The camp staff were superb and praised our children for the behaviour throughout the stay.

The **night time treasure hunt under the stars** was certainly a new experience for many. I have included some great quotes from the children which really helps to describe the trip.

"This trip has been an amazing experience. It has been a lot of fun coming to Andévalo, we did activities such as Kayaking and the zip line. I would recommend this to anyone"

Alejandro Villar 6T

"This trip has been one of the best in my life. I especially loved kayaking, I wish I come back in the future"  
Gonzalo Capilla 6T

"Andévalo was fantastic. I loved that every morning they woke you up with music. All the activities were super cool and supported by the teachers. Amazing end of the year"  
Celia Mancha 6E

"I really enjoyed the trip since I firmly faced my fear of heights"  
Diego Sepulveda 6T

## Quiero Aventura

Middle School students have been in good spirits as we approach the end of the year. The **3 days camp** was packed full of activities such as **archery, climbing, kayaking**, and of course... students always enjoy their 'free time' in the pool. The organisers at the camp passed on their regards and expressed how well students behaved throughout the duration of the trip, and it must be said I have never seen Middle School students so tired as when they arrived on Wednesday afternoon!

The **semi-finals** were underway this week as the team representing each class faced off head to head in the theatre. The audience were captivated as they cheered on their classmates to victory, **the final on Tuesday**, which will be hosted on the stage outside in front of the whole of Secondary school, sees the year 7 champion battle it out against the year 8 champion. Roll on Tuesday!

### NOTES

SAGE HAS GOT TALENT - MONDAY 2PM

SCHMOEDOWN FINAL - TUESDAY 11.40AM

POOL PARTIES (VARIOUS DATES  
DEPENDING ON YEAR GROUP)

FOOTBALL/VOLLEYBALL TOURNAMENT -  
MONDAY/TUESDAY MORNING

REPORTS SENT HOME - WEDNESDAY

## SHAPPING THE FUTURE

Now that our students have finished their exams, it is also time for them to start to decide their future, specially in Year 9 and Year 11 where students need to decide their subjects in the new stage, and in Year 12 and 13, where students are deciding their courses and universities. This week, **students from Year 9 to Year 12 had a talk by Will Walker, from Investin (work experience agency) on how to decide the career pathway.** It was very useful for our students.

## HIGH SCHOOL GAMES

Last Friday, our students enjoyed the sports day. Also during this week, **they have played the High School Games.** Sports are very important for mental and physical health, and it has a positive contribution towards academic learning. We would like to continue encouraging our students to do sports.

## INTERNATIONALITY

Internationality is one of our main values. It helps students to continue learning from other cultures and traditions, and to make new friends and meet new people. This week, we received a group of students from our sister school in Switzerland (<https://iscs-zug.ch/>). They enjoyed activities such as making videos for a school in Germany (<https://jss-erlenbach.phorms.de/de/frontpage/>), trips to Jerez and Cádiz, pool parties, among others.
