

## SAGE COLLEGE – POLICIES AND PROCEDURES

# ATTENDANCE POLICY

### 1.1 Introduction

At the SAGE COLLEGE, we are committed to working with parents to promote regular attendance and punctuality.

Our aim is for children to feel happy and secure in school and achieve their full potential. This is difficult to achieve if they are frequently absent from, or late for school. Children with poor attendance and punctuality not only miss doing their academic work but also miss out on the social side of school life, which can affect their ability to make and keep friendships. Consequently, we work hard to ensure that any problems with children's attendance are identified and followed up quickly; and that solutions are explored with parents at an early stage. We follow Spanish regulations and work closely with the authorities. Families are referred to the school's Education Welfare Officer if problems persist.

The school's policy is written in line with the Spanish Education Ministry advice and procedures.

### 1.2 The legal framework

Parents are required to ensure that children of compulsory school age receive efficient full-time education. They are responsible for ensuring that their children attend during the specified school hours and stay unless alternative arrangements for their education are made. It is also a parent's responsibility to inform the school of any absence.

Sage College is responsible by law for reporting poor attendance to the Local Authority. Under existing legislation, parents commit an offence if a child fails to attend school regularly and the absences are unauthorised (absences without a valid reason). Only the school leaders can authorise absences.

### 1.3 Absence

#### **Authorised Absence**

The school leaders will only authorise absence from school for reasons believed to be unavoidable and/or exceptional. (NB Absence for educational reasons e.g. secondary school open days or alternative provision is recorded as such and counts as attendance.)

Acceptable reasons include:

- Child's illness, medical or dental appointments;
- Family bereavement;
- Days of religious observance (up to two in any academic year); and
- Other circumstances which the head of school believes to be reasonable e.g. attendance at family court.

Such absences will usually be authorised, if parents notify the school in good time.

## **Unauthorised Absence**

The School Head will not authorise absence from school for reasons he believes to be avoidable, e.g. family holidays during term time. Children may be removed from the school roll if parents take extended leave for family holidays, are regularly absent (belows 85%) or other unacceptable reasons.

*Absences not normally authorised include:*

- Holidays during term time;
- Weddings requiring travel abroad during term time;
- Visits to relatives;
- Relocation to foreign country visits during term time;
- Lateness where no adequate explanation is provided; and
- Absences which the school leaders believe to be non-essential or where no reason is provided.

## **Notifying the School of Reasons for Absence**

It is a parent's responsibility to inform the school of any absence. They should state the nature of the absence and when the child is expected to return to school. Parents cannot demand that their children be granted authorised leave of absence from school, but they may request the evaluation of their case under exceptional circumstances.

- **Illness**

Parents should telephone the school during the first day of absence and send a note, explaining the reason for the absence, to the child's teacher on return to school. The school must be contacted by telephone if the absence is expected to exceed a week. Medical evidence may be required to authorise long term illness or periods of illness when a child's attendance has fallen.

- **Medical/Dental Appointments**

Please arrange these outside school hours, if possible. If appointments can only be arranged in the school day, parents should send a note or telephone the school and inform the school office what time the child will return to school and if a school lunch is required. Please give the Office a copy of the appointment card/letter when provided.

- **Family Bereavement**

The school should be notified of the absence, either by telephone or Alexia, at the earliest opportunity.

- **Religious Observance**

The school should be notified in writing before the absence occurs. Please note that only two days (four half day sessions) will be authorised per academic year.

- **Other Circumstances**

Parents should write to the head of school requesting a leave of absence, or complete a form available from the School Office, explaining the circumstances, before the absence occurs. Term time leave can only be authorised in exceptional circumstances. Parents should inform the School at the earliest opportunity.

- **Punctuality**

Being on time to school is vital; arriving late is disruptive for your child, the teacher and other children in the class. The school day starts at 9 a.m. for all children in Primary and Secondary Years.

If children are late for school, they should be brought to the School Reception Office, and their name recorded on Alexia, with the reason for the tardiness. This record is important as it enables the school to have a full record of attendance should there be a need for emergency evacuation.
